"Shut your eyes, open your mouth and see what luck will bring you."

Many a woman is weak and sick, nervous and discouraged. She suffers from headache, backache and other ills. She wants to be well, but all she does is to shut her eyes and open her mouth for medicine and trust to luck for results. She "doctors" month after month, often year after year, in this manner, until she is in a state of chronic illness, and receives no permanent benefit.

Women take Dr. Pierce's Favorite Prescription with their eyes open to the fact that it cures women's ills. It cures irregularity. It dries debilitating drains. It heals inflammation and ulceration and cures female weakness. There is no luck in luck by those who use "Favorite Prescription."

"In the year 1880 my health was poor," writes Mrs. J. Hark, of 28 Broadway, Buffalo, N. Y. "I suffered from falling of womb, disarranged discharge, painful monthly periods, headache, backache and pains in the limbs. Every month was confined to bed for two or three days. Was weak, nervous and hysterical; life was a burden to myself and I made every one in my family unhappy because I was so irritable. My husband got me four bottles of Dr. Pierce's Favorite Prescription, and before I had taken the first bottle I was feeling some relief. The medicine made me well and strong, free from nervousness, aches and pains, and I felt like a new woman. Before I used the 'Favorite Prescription' I had been taking another physician's medicine for nearly three months, but had received no benefit. Your medicine is certainly the best in the world."

A man or woman who neglects constipation suffers from slow poisoning. Dr. Pierce's Pleasant Pellets are a gentle laxative, and a mild cathartic, and a true substitute for those Original Little Liver Pills, first put up by Dr. R. V. Pierce over 40 years ago. Much imitated but never equaled.

WASHING WITHOUT WATER

Is Like Trying to Get Rid of Dandruff Without Herpelide.

Did you ever see any one trying to wash themselves without soap or water? If you did what would you say of him?

It is every bit as foolish to try to get rid of dandruff and to prevent baldness by feeding the germs which cause it, with Cantharides, Vaseline, Glycerine and similar substances which form the principal ingredients of most so-called Hair Vigors.

Newbro's Herpelide is successful because it attacks and kills the parasite germ which feeds on the hair roots. It is the original and only genuine scalp germicide manufactured.

Sold by leading druggists. Send 10c. in stamps for sample to The Herpelide Co., Detroit, Mich.

ACHES

of any kind, headache, toothache, earache, stomachache, backache, sideache, and all similar nerve disorders, are instantly soothed, and quickly relieved and cured, by that most dependable of all medicines for the relief of pain, HAMLINS WIZARD OIL.

HAMLINS WIZARD OIL

If you have ever experienced its gentle, quieting influence, on an aching, throbbing head, tooth, or other nerve, you will never be without it in the house.

"I had been subject to sick headache for over 5 years," writes Mrs. A. C. Schaffer of Great Bend, Kan. "I used one bottle of Hamlin's Wizard Oil, and have not had a headache since."

And C. Dieckman, of 193 Hendricks St., Detroit, Mich., writes: "I have always found relief from earache by using Hamlin's Wizard Oil." Price 50c and \$1.00.

Sold and recommended by all druggists.

ADDICKS TRAPPED.

After discovering that he had been led into a trap, J. Edward Addicks yesterday afternoon voluntarily eliminated himself from the union republican State organization of Delaware, the creation of which has cost him hundreds of thousands of dollars.

The State committee, of which Senator J. Frank Allee is chairman, met at Dover to appoint a committee to confer with the regular republicans on the proposed amalgamation of the republican party. To the dismay of Allee, who thought he controlled the committee by a large majority, Addicks had corralled nine members, against nine controlled by Allee.

A stormy session followed over the appointment of a subcommittee to confer. A motion to have David S. Clark, the presiding officer, name the subcommittee failed. The vote was 9 to 9, but Clark, who is an Allee man, tried to vote twice, once as a member and the other time as chairman, and thus name the committee. This caused an uproar. Addicks suggested that the subcommittee consist of himself, Dr. C. R. Layton, William Tharp, ex-Senator Groves and Allee. A wrangle followed. Then a subcommittee to suggest names for the harmony committee was appointed. Addicks, Layton and Secretary of State Cahill composed this committee.

Addicks substituted the name of Dr. Geo. W. Marshall, Insurance Commissioner, for that of Tharp and thus played into Allee's hands. The committee unanimously agreed to this subcommittee. After adjournment the harmony committee met and Addicks suggested Dr. Marshall for chairman of this committee. Dr. Marshall dumbofounded Addicks by declining and suggesting Senator Allee for chairman. Seeing that Marshall also had deserted him and Allee controlled the subcommittee, Addicks declared: "I will not serve on a committee with that man Allee as chairman. He is a traitor. He is a Judas Iscariot, and the whole world knows it."

Addicks bolted the committee and Allee was elected chairman by the remaining members. The subcommittee will have to report back to the full State committee, where Addicks can again make a fight.

The regular republicans have not yet appointed their committee to conduct the peace negotiations.

MOB AFTER JUDGE

The spectacle of a member of the judiciary being dragged about by a mob and forced to rescind an official order ended a day of turmoil yesterday at Brighton, Colo., the county seat of Adams county, adjoining the city limits of Denver, Colorado. A. H. Guthrie, county judge, summoned the mayor, marshall, and members of the town board before him yesterday, and lectured them for their alleged failure to enforce ordinances against gambling and Sunday liquor selling. Following this, he ordered the sheriff and marshal to gather the slot machines in the town of Brighton, and when they reported later that they could only find one, Judge Guthrie deputized two men to arrest them for contempt. In the meantime, both the sheriff and the marshal disappeared. The report of the judge's action concerning the two peace officers spread through the town and caused much excitement. Citizens began to gather on the streets, and, fearing for his personal safety, Judge Guthrie boarded a Union Pacific freight engine as it was pulling a train slowly through the town. He ordered the engineer to uncouple the engine from the train, it is said, and run to Denver with him, threatening legal action unless the engineer complied with the order. The latter refused to obey the demand, and while they were discussing the matter a mob gathered around the engine and Judge Guthrie was dragged from the cab. He was told that he must rescind his order of arrest against the sheriff and marshal, and upon being assured that he had already done so, the judge was released by the mob and allowed to proceed to Denver on a passenger train later. Judge Guthrie has been at war almost constantly with other county officers since his administration began, about a year ago, and has had those officials and members of the bar before him time and again on charges of contempt.

Insomnia and Indigestion Cured.

"Last year I had a very severe attack of indigestion. I could not sleep at night and suffered most excruciating pains for three hours after each meal. I was troubled this way for about three months when I used Chamberlain's Stomach and Liver Tablets, and received immediate relief," says John Dixon, Tullamore, Ontario, Canada. For sale by Gibson & Timberman and W. F. Creighton & Co.

A Daredevil Ride

often ends in a sad accident. To heal accidental injuries, use Bucklen's Arnica ointment. "A deep wound in my foot, from an accident," writes Theodore Schuele, of Columbus, O., "caused me great pain. Physicians were helpless, but Bucklen's Arnica Salve quickly healed it." Soothers and heals burns like magic. 25c at E. S. Leadbeater & Sons, druggists.
